

The OCME 2010 Spring Meet started on Thursday, April 22nd with Russ Green & Dixon Sheldon getting tables into place. Then campers started to set up their RV's and tents. Pictured are Jim Ferguson setting up his tent with help from Dave Bowen. Doug Maywald is also setting

up his tent. I understand there were 2 campers in the Ferguson tent - Jim & Hunter, but in the Maywald tent there were 10 (count em 10) campers. Phew!

The tables came in handy for the children's art work projects as well as cooking all the food. **Please join me and thank Ruby's for all the food they donated to our meet.**
