A FIRST CLASS RAILROAD

BY

President Bob Brooks

This month we are trying a new schedule for our board and general meetings in order to accommodate a variety schedules of our members. The board will meet from 8: 00 a.m. to 9:00 a.m. on Saturday March 7th. The general meeting will be from 9:00 a.m. to 9:30 a.m. that same morning. As usual this is a club work day and lunch will be provided.

On the April 4th workday, our activity is special in that we are hosting The Raise Foundation and the Prevent Child Abuse Network Blue Ribbon Family Carnival from 10:00 a.m. until 3:00 p.m.. Besides our club providing train rides, they will have face painting, arts & crafts, fire trucks, an ambulance, live music, food for purchase and resource booths with games, and raffles. They are expecting approximately 300 people. We will need to have three trains and crews to pull the attendees. So please keep this date on your calendar. This is a worthwhile organization that needs our support for a successful event.

The February run weekend had a record for pulling the public on a non-special event Saturday. We had 1,905 riders. The club performed magnificently. Everything went off without a hitch. Senior members informed me that the only time we exceeded this number was on our Gold Spike Ceremony weekend. On Sunday we had a visitor who got a special train ride from Terry Cummings. What is so great is that on his way home his dad, on duty in Iraq, called him from Iraq and this youngster spent the whole time telling his father what a great time he had at our club. Sometimes seemingly small things have a tremendous impact. Thank you Terry, for contributing to a joyous moment between father and son.

A Civil War reenactment group is using Fairview Park on May 9th and 10th. We will not be impacted as the public will use the high school parking lot. The enactors will park some vehicles in our lot, but we will still have our birthday parties.

If you forgot to pay your annual dues please submit them as this First Class Railroad needs your support. See you at the workday on Saturday March 7th.
