~ **Halloween Pumpkin Patch At OCME** ~

by Russ Green

A committee has been formed to explore the possibilities of a Pumpkin Run combined with a Pumpkin Patch filled with pumpkins for children to come and gather. We're exploring possibilities of involving other civic organizations and schools to help in our quest. We are looking at two possible dates: October 16<sup>th</sup> (one of the public run days) or the 30<sup>th</sup> of October which will coincide with the fall camp out at the park. Look for more details in the following weeks. If you have questions, ideas, or would like to support this community event sponsored by OCME, please contact Russ Green (858-748-4009) or Wendy Dahl (714-812-4567).

**June No Host Camp Out**

by Dixon Sheldon

If you missed out shame on me for not inviting you. I found out about the camping permit when we were at the Club about a week before the camp out date. I called and e-mailed as many people as I could think of. Russ, Dutra's, Hayes, Sheldons, Platfoots, Acuña. WE all had a great time as usual. Went out to dinner the first night to Acapulco and had a nice meal. Carroll had some coupons so we were able to share the coupons with the entire group. When we got back to OCME we saw another group of people gathered near the campground we went over to ask what they were doing. Found out they were radio operators and they get together every year at this time and do radio stuff all weekend. We let them know they were welcome to come by and if we were running trains to flag us down and we could give them a ride. Went back to the campground and enjoyed the evening. Saturday we got out our trains thanks to Alex. Nikki got out her electric loco. Glen had his steamer with the combine car and the flats with their old time equipment on each car. We played trains, ate lunch and planned a potluck. After dinner we got as many cars as we could 32 and hooked up three engines and triple headed into the evening. When we got to the station we stopped and asked the radio operators if they wanted to ride they said they were waiting for the Space Station to go by if we could wait for them they would gladly ride.

# A FIRST CLASS RAILROAD

BY

## President Jim Ferguson

The Orange County Model Engineers will be hosting its 19<sup>th</sup> annual Fall Meet from Thursday, September 16<sup>th</sup> through Sunday, September 19<sup>th</sup> 2010. We are making preparations, and are working hard for all to have an enjoyable time.

O.C.M.E. will be offering limited dry camping spaces for RV's, motor homes, campers and tents. These spaces will be on a first come, first served basis beginning on Thursday, September 16<sup>th</sup>.

The Fall Meet weekend will be a busy one starting with Friday night at 5:30 p.m., with a wonderful Get Together Dinner. Saturday morning we will offer breakfast. A BBQ lunch of hot dogs/hamburgers will be available from the Lions' Club and rounding out the day will be a wonderful catered dinner by Newport Rib Co. on Saturday at 6:00 p.m. Sunday morning we will be serving a pancake breakfast.

**Please use the enclosed reservation form for any or all meals.**

**For OCME Members:** The Fall Meet is a terrific opportunity to come out and support your club and visit with other rail fans. There will be a wide range of equipment operating on the railroad with a number of visiting club members bringing their locomotives and rolling stock.

Please contact any Board Member (phone numbers on the bottom of this page of this Way Freight) to indicate your availability to work and they will assist you with scheduling and job assignments. The members of our club are terrific and generous. We will have a good time showing our visiting friends and the public our hospitality and the fun and dedication O.C.M.E. has!
