A FIRST CLASS RAILROAD

BY

President Joe Hayes

The Club is going through a period of change. One of these changes has been a small burst of growth. We have accepted four new young members. Their names are Grant Geiselman, Danny Mouawad, Nick Williams and Tyler Beach. They are eager to be a part of our hobby.

They have shown they want to work responsibly with other members by the way they conducted themselves at the spring meet and the run weekends. Please go out of your way to get to know these new members. Help them feel welcome and help them learn what we are all about.

Safety is and will always be the first and most important thing in this Club. We all have a responsibility to help the Club grow, and to maintain a safe environment while we are enjoying our hobby.

Here are 3 of OCME's new members left to right: Grant Geiselman, Danny Mouawas and Nick Williams. Don't have a picture of Tyler yet.
