Since 1985, OCME has been dedicated to sharing the magic of live steam railroading with the community. For 40 years, we've built a thriving club, maintained nearly 5 miles of track, and provided countless free train rides through Fairview Park. As we gather for the 2025 Spring Meet, we celebrate the friendships, hard work, and passion that have made this club what it is today. Whether you've been with us from the start or are joining for the first time, we're excited to share this milestone with you—here's to 40 years of live steam and many more ahead!
